

# Event Registration & Route to the Start

From Event Registration head out behind the tents to the far side of Crow Park until you reach a gate. Go straight ahead, onto a small road, you'll pass the caravan park on your left, keep going, passing Booths supermarket on your left. Follow the road along and take a left at the mini roundabout. Continue for about 500m, crossing the bridge, immediately after that turn left following the Public Footpath sign to Portinscale. Follow the footpath for about 1km, turn left at the tarmac road then cross the suspension bridge leading to Portinscale village. Continue past the hotel on your left then turn left. Follow the road along, passing Derwent Water Marina. Just after the junction for Nichol End Marine, there is a footpath to take you through the woods, follow the path for about 800m until you reach the start area.
